

Can you imagine a community where girls are confidently creative, boldly brave, and radiantly REAL? What if there was a program where middle school girls could spend a week enhancing these qualities and spending time with positive role model mentors, breaking down barriers, talking about REAL life, making new friends, creating special memories and masterpieces, and experiencing the unity of a REAL sisterhood? At Get REAL inC, we make that vision a REALity with Save the Drama for the Stage Day Camp!

Save the Drama for the Stage is a program of Get REAL inC, a girls' ministry that believes *it's easier to build a strong girl than to repair a broken woman*. Save the Drama is a day camp for girls in grades 6th-8th, with high school and college-age girls as their big sister mentors. This year will be the 5th year of the camp and will be held June 11th – 15th in Avon!

Camp focuses on topics like friendships, relationships, bullying, peer pressure, identity, and being a positive change, all while teaching the girls to be confident in who they are, bold in their actions, and REAL in the way they live. Small group discussions and friend building activities further enhance their experience. The girls also participate in creative classes such as photography, singing, dancing, acting, baking, sewing, art, volleyball, etc. – all with the fundamental purpose of building strong girls to live for an Audience of One. Camp ends with a community showcase for the girls to 'Save the Drama for the Stage' and show their friends and family the things they learned and the fun they had throughout the week!

Save the Drama for the Stage has already impacted over 500 girls and has proven to be a life-changing week for all those involved! Hear it from the girls themselves about how they feel about their time at last year's Camp! →

Will you partner with us by making a financial donation to ensure the impact of Save the Drama for the Stage Day 2018? Get REAL inC can only offer this creative camp at minimal cost to girls and their families with support from community partners and donors like you. Attached is a list of specific ways you can financially invest in the lives and hearts of girls in our community!
