

Girls Mentoring Groups Partnership Program

Give REAL Hope

When you sponsor a group, you are giving girls:

- + a girl-focused safe place where she is free to share
- + encouragement and support when life is hard
- + time with positive role model mentoring relationships
- + life-changing truth and hope of Jesus Christ
- + a foundation to apply biblical truths to everyday situations

Partnering together to give girls a place to **feel loved, find purpose, be REAL, have fun, celebrate sisterhood, live life, and grow in Jesus!**

Why She Matters

Girls in our community are feeling hopeless, alone, and depressed. Mentoring groups at Get REAL are designed to meet girls where they are, build a foundation on REAL truth and hope, and provide a support system if they stumble.

The strongest and most consistent benefit from mentoring relationships is reduced depressive symptoms (The Role of Risk, 2013).

Give hope for tomorrow by giving girls a place to belong and feel loved today.

Sponsor a Group

This year Get REAL is hosting over 100 group meetings for girls in 2nd- 12th grades. Groups are free of charge to the girls who attend and are only made possible by donors like you. Sponsors are needed for each group.
